

Tahoe Community Church Time and Talents Survey

Name _____ Address _____

God has shaped each of us to serve Him in a special way. This form offers you an opportunity to review the gifts God has given you, and to determine how you might use those gifts in the work of our church. As you consider your S.H.A.P.E. (spiritual gifts, heart, abilities, personality, experiences) prayerfully review this form and mark those areas in which you would be willing to serve. No member of the church should have too many tasks to accomplish, but everyone should have at least one job. Tahoe Community Church is your church and God is calling you to respond. Each member of the congregation should fill out a separate form. Please return the form to Tahoe Community Church. Thank you for your support and willingness to help.
